How We Die: Reflections of Life's Final Chapter, New ...

Its not new (1993), but Sherwin Nulands How We Die is a timely treatise on whats going on under the hood when humans die. We all have to leave this world sooner or later, whether by heart attack, stroke, cancer, or accident, but in our culture, its not that common to think about or speak of our own demises.

How We Die: Reflections of Life's Final Chapter by Sherwin ...

How We Die groups the myriad of biomedical ways each of us find death into categories that best explain the manner by which our bodies eventually fail. Heart failure, old age, Alzheimer's, suicide & euthanasia, AIDs and cancer are discussed in perfectly written (and translated) medical terms.

How We Die: Reflections on Life's Final Chapter by Sherwin ...

Fundamental to it are Nuland's experiences with the deaths of his aunt, his older brother, and a longtime patient. With each of these deaths, he made what he now sees as mistakes of denial, false hope, and refusal to abide by a patient's wishes. Disease, not death, is the real enemy, he reminds us....

How We Die: Reflections on Life's Final Chapter - Kindle ...

How We Die Summary - eNotes.com

"The art of dying is the art of living. The honesty and grace of the years of life that are ending is the real measure of how we die. It is not in the last weeks or days that we compose the message that will be remembered, but in all the decades that preceded them. Who has lived in dignity, dies in dignity."
